Experience:

Freelance Rigger

Lakeland, FL

tm+r Agency

August, 2009 – August, 2009

Commissioned by tm+r Agency, an advertising company, to rig the “Gremlin” for their first CG composite commercial for a local company's, McGee Auto's, "Be Gremlin Free" ad.

Rigger

Celebration, FL

3DH Entertainment

October, 2008 – November, 2008

Time spent in the studio lead to an invaluable insight to the production pipeline. This experience also allowed the opportunity to connect and learn some new tricks from the awesome team they had assembled.

Setup Lead

Winter Park, FL

Student Project at Full Sail University

June, 2007 – June, 2007

Acted as the lead rigger in a short animation production using 3DS Max and motion capture data. Primary duties included setup of the title character “Egg Bot” and directing the development of other rigs in the animation.

Strengths:

- Character Setup/Scripting
- Modeling
- Texturing
- Animation
- Maya
- MEL/Python/C++
- 3DS Max
- Photoshop

Education:

Full Sail University

Winter Park, FL

Bachelors of Science for Computer Animation

July, 2004 – February, 2008

Studies laid the fundamental foundation of 3D Animation while creating strong skill-sets in time management, production flow and teamwork.
